

South Meadow Boarding Agreement

As the owner or authorized guardian, I give permission to the clinic to receive, treat, prescribe or otherwise care for the pet listed below as deemed necessary. Reasonable precaution will be used against injury, escape, or death of this pet. The staff will not be held liable for problems that develop provided reasonable care and precautions are followed. I understand that any problem that develops with my pet will be treated as deemed best by the staff and veterinarian. I assume full responsibility for the treatment expense involved. Should injury or circumstance warrant the need for emergency service, I understand that the clinic will try to contact the necessary people before treatment, but will exercise the option to proceed if nobody can be contacted.

*******For the safety of your pet and others, we do require that all pets boarding with us be current on vaccinations and have been checked for intestinal parasites within one year of boarding.*******
